

2026 COMPANY PROFILE

Managing Facilities.
Transforming Lives.

ABOUT US

Founded in 2015, Adroit Facilities Limited is a Kenyan facilities management company focused on delivering professional workplace support solutions tailored to modern organizations. We are committed to creating clean, efficient, and well-managed built environment through reliable and quality service delivery.

What sets Adroit apart is its social enterprise approach, which combines service excellence with training and skills development initiatives that create employment and growth opportunities within the community.

WORKFORCE & IMPACT

As a social enterprise, Adroit Facilities Limited integrates workforce development into its operational model, creating structured employment opportunities while contributing to helping underserved communities through access to professional work environments and industry exposure.

Our commitment to dignified work is reflected in providing fair compensation, providing safe work conditions and full alignment with national labour laws. Adroit aligns its operations with ESG principles and SDG 1, 5, and 8, reinforcing responsible and sustainable business practices.

WHAT WE DO

Cleaning and Housekeeping Services

We elevate cleaning from a chore to a science. Forget mops and buckets, our meticulously trained staff utilizes advanced cleaning methods to deliver exceptional cleaning services. This creates a hygienic and welcoming environment for you, your staff and guests.

Building & Maintenance Services

We handle all your maintenance needs, whether planned or reactive, ensuring on-time project delivery. From renovations and refurbishments to installations, repairs, and ongoing building upkeep, we do it all. We'll keep you informed of relevant health and safety regulations to ensure your building remains compliant.

Our Services

- Electrical Works
- Painting Works
- Carpentry Works
- Masonry Works
- Office partitioning & Interior Finishes
- HVAC Works
- Window & Door Repairs
- Handyman Services
- Fabrication & Metal Works

Business Support Services

Looking for qualified staff to support your operations? AFL provides a range of professionally trained personnel who embody the values of both your organization and ours.

Our well-vetted and equipped staff are ready to seamlessly integrate into your team, offering expertise in administrative services as follows:

- Receptionists
- Project Managers
- Messengers
- Drivers

Office Plants Services

We supply a wide range of live and artificial indoor plants designed to enhance your workplace ambience, improve the air quality and improve the overall workspace experience. Our live plant service includes:

- Expert plant selection
- On-going monthly care

We ensure your indoor greenery thrives throughout the year.

Sanitary & Hygiene Bins

We are a leading sanitary bin company in Kenya, offering safe and environmentally friendly sanitary waste disposal services on a weekly, fortnightly, or monthly basis.

We also provide a range of hygienic sanitary bins, both standard and executive. Our bins are designed for simplicity, ease of use, and maximum hygiene. Trained technicians carry out regular scheduled visits based on your needs, replacing bins during each visit to ensure consistently clean and sanitary washroom conditions.

Integrated Facility Management.

Manage Office Solutions.

We value your privacy while understanding the challenges of securing and managing office spaces. At AFL, we scout for suitable office spaces, negotiate with landlords on your behalf, plan and fit out the space to match your needs and organizational culture, and manage it after delivery—so you don't have to deal with multiple suppliers or hire a facility manager.

Some of Our Clients

“ As the year comes to a close, we would like to appreciate the steward you availed to us, Evelyn. She has been exemplary in her duties since we onboarded her. She is very organized, good timekeeper and diligent in her work. Atlanta, kindly recognize her as the employee of the year. She truly deserves that recognition. ”

Purity,
Rubicon Landing

Our Value Proposition

At Adroit Facilities Limited, we deliver high-quality facilities management through a focused blend of technical expertise, efficient operations, and ethical workforce practices.

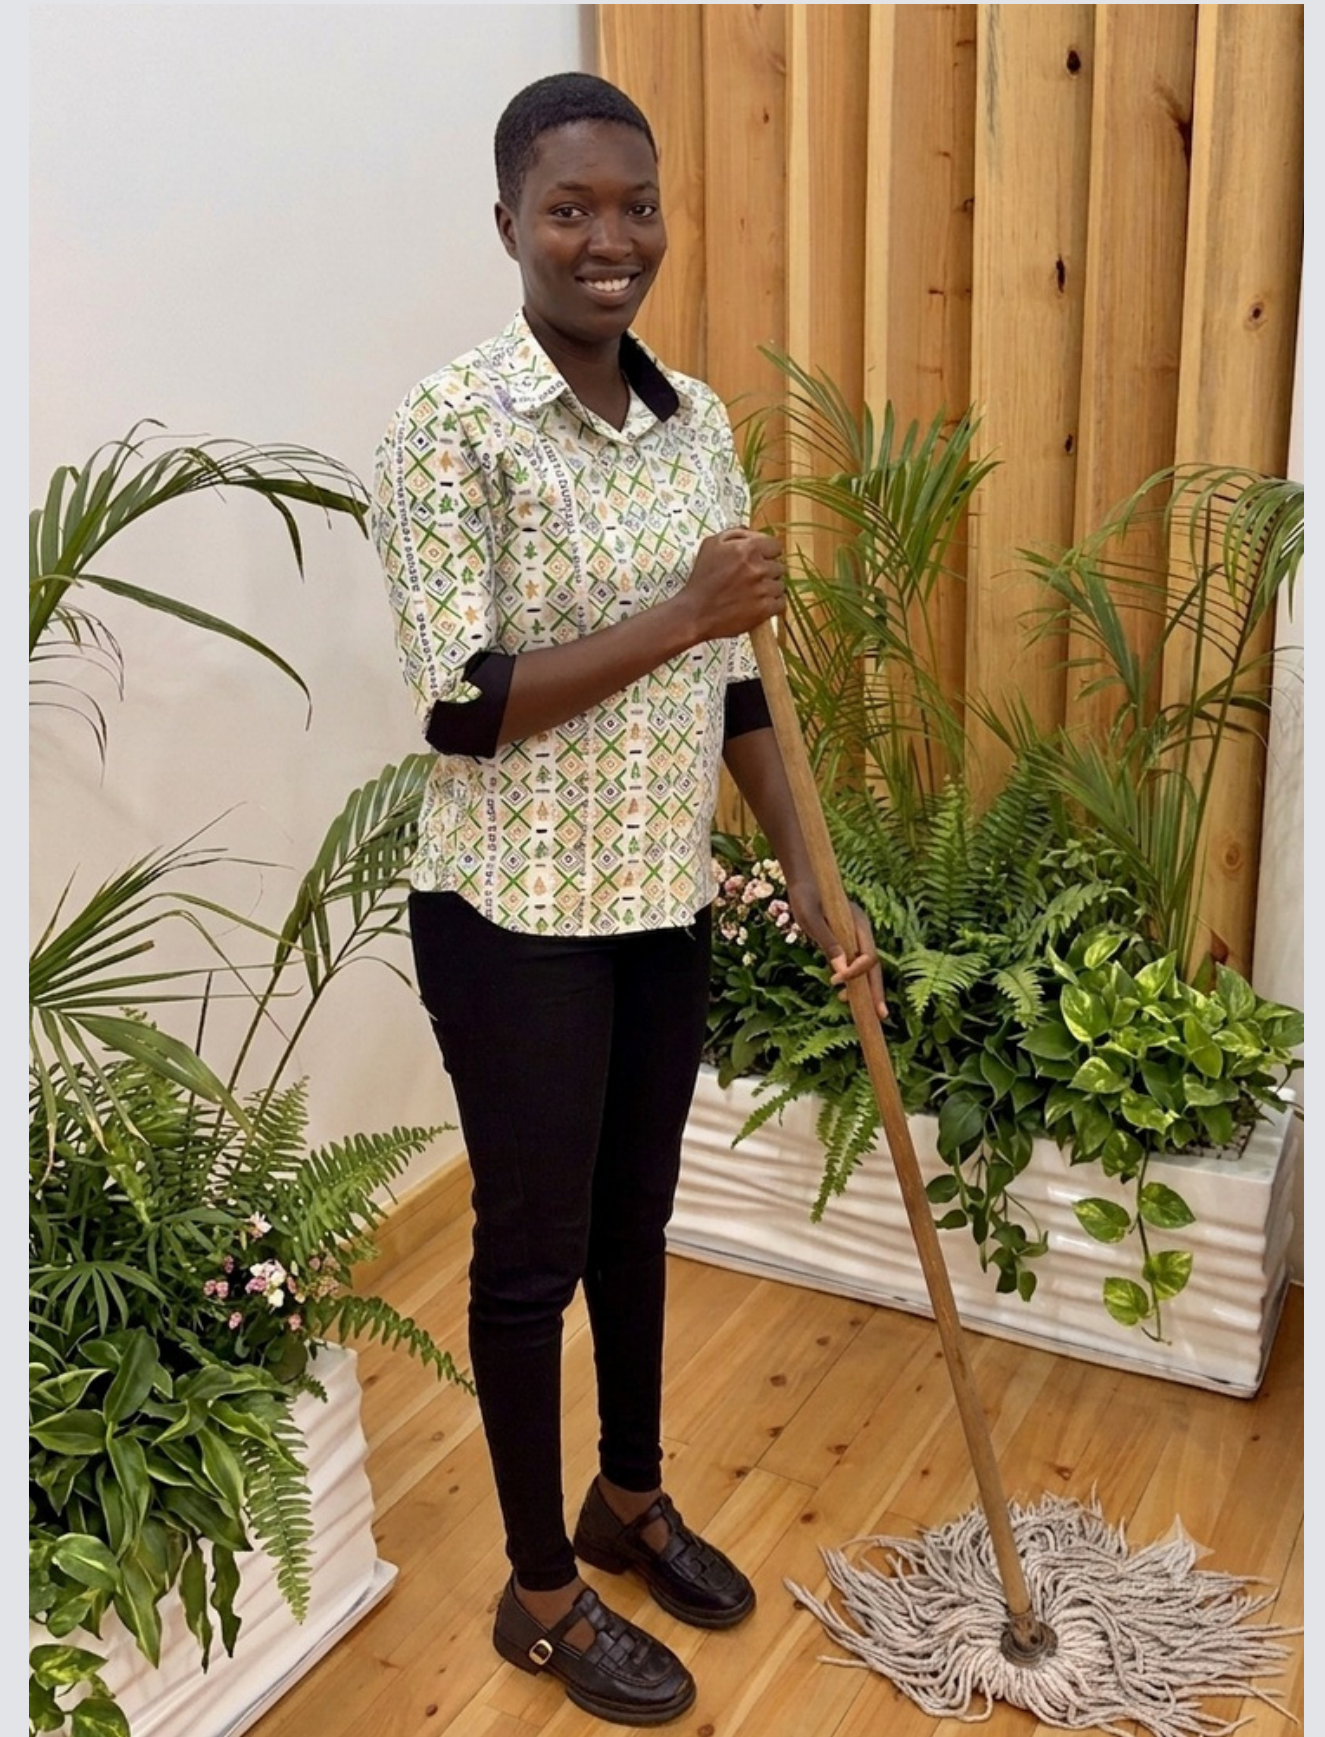

Science-Driven Cleaning - We use evidence-based methods and surface-specific products to maintain high hygiene standards while preserving asset quality and longevity.

Ethical Employment - Our commitment to fair, transparent employment creates a stable, motivated workforce resulting in consistent, reliable service delivery.

Sustainable Practices - We prioritize eco-friendly, phosphorous-free products and low-impact processes to support environmental responsibility.

Operational Efficiency - Energy-efficient, water-saving equipment reduces resource use and lowers operational costs without compromising performance.

Trained Workforce - All staff complete a structured six-week training program covering cleaning science, safety, and customer service ensuring consistent service standards.

Professional Service. Positive Impact. Proven Results
